Paul*

*Stuart
Sullivan*

Please help us.

Mr. Sullivan, Mr. Steward is a wonderful
man and I am grateful to our ever
of service and manners we do the public;
that we can afford another like, we say, "the
day off ~~the~~ ~~we~~ ~~we~~ could consider
more down, longer winter change just

*needed - not need,
but a friend by manufacture and plan-of
parallel approach + other necessary documents. Demand
funds on this problem, diminishing resources*

*and CALPEO plan,
do on winter in response to those
